FOR: ENHANCED DRUG DISPENSING SYSTEM		

COMBINED DECLARATION AND POWER OF ATTORNEY

As a below-named inventor, I hereby declare that:

My residence, Post Office Address and Citizenship are as stated below next to my name, and
that:

I verily believe that I am the original, first and joint inventor of the invention entitled
ENHANCED DRUG DISPENSING SYSTEM, described and claimed in the specification filed on
February 24, 2000, that I have reviewed and understand the contents of the specification, including
the claims, as well as the claims referred to in this declaration, that I do not know and do not believe
the same was ever known or used in the United States of America before my invention thereof, or
patented or described in any printed publication in any country before my invention thereof or more
than one year prior to May 27, 1994, that the same was not in public use or on sale in the United
States of America more than one year prior to May 27, 1994, that the invention has not been patented
or made the subject of an inventors certificate issued before May 27, 1994 in any country foreign

to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to May 27, 1994, and that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application.

My original U.S. Patent 5,720,154, which matured from serial number 08/455,402, is partly inoperative or invalid by reason of claiming less than I had the right to claim through error. The errors include, for example, omission of broader claims to an operator assisted prescription dispensing system and a method of dispensing pills in a prescription dispensing system.

All errors arose without any deceptive intent during prosecution of the original application which matured as U.S. Patent No. 5,720,154.

No factual basis is required establishing how the errors occurred under 37 C.F.R. §1.175.

I hereby appoint the attorneys at the following customer number:
